Session 6b – Held August 24, 2021 at 2:30pm ET

FAQs and Additional Resources
NTIA has recently published its fourth set of FAQs regarding the Tribal Broadband Connectivity Program. This document offers a deeper dive into some of the most commonly asked questions we have been receiving from prospective applicants

regarding eligibility, other broadband funding programs and eligible service areas, application requirements/process, and post awards requirements. Subsequent FAQ sets will be published periodically throughout the application window. See the new set of FAQs below:

[Frequently Asked Questions (FAQs) 08-27-2021](#)

Additional resources to help you with your Tribal Broadband Connectivity Program application are available on the [Tribal Broadband Connectivity Program webpage](#) on the BroadbandUSA website.

NTIA's BroadbandUSA program promotes innovation and economic growth by supporting efforts to expand broadband connectivity and digital inclusion across America. In this role, BroadbandUSA serves state and local government, industry and non-profits that want to expand broadband infrastructure and promote digital inclusion.
