Helpful Tips/General Navigation

0.1 Navigating the Interface

Tip: A red asterisk (*) means a required field. You will not be able to move forward without providing a response.

Tip: Fields that are greyed out are not editable; they are pre-populated from previous data entry fields.

Tip: The character limit for responses is 3,000 or less.

0.2 Navigating this User Guide

Tip: The **Table of Contents (TOC)** is a live reference table that can help you easily navigate to a section within the guide. Hover over the **TOC** section, press **<Ctrl>** and Click the desired section.

Tip: Notes in the Click path provide additional helpful information when completing a section. This information may not be a required step, but useful when performing tasks in **NGP**.

Tip: Red boxes are included on images to highlight an action that needs to be taken on a screen. A solid red box is the required step. A dotted red box is an optional step.

1. Logging into the NTIA Grant Portal

<image><text><text><text><text><text><text>

Click on Log in after filling in your username and password.

Note: Your username is the email used to register for the NTIA Grants Portal with .ntia as the suffix, e.g., for JohnSmith@organization.com, the registered user name would be JohnSmith@organization.com.ntia

2.3. Use of Funds

Use of Funds SECTION STATUS Not Started Initial Planning Funds SECTION STATUS Not Started Initial Proposal Funding Request Funds SECTION STATUS Not Started Report Attachment SECTION STATUS Not Started Supplementary Information SECTION STATUS Not Started Certification SECTION STATUS This form is not yet complete. Make sure all sections are Not Started complete, then you as the AOR may submit.

Click the Get Started button for the Use of Funds section.

In the Use of Funds section, you will complete the following steps:

- Initial Planning Funds
- Initial Proposal Funding Request

Follow the instructions for entering data into the fields provided.

Click the Save and Next button.

Initial Planning Funds

Note: Keep in mind that data entered should align with the approved SF-424C. Total federal funds cannot exceed total federal planned funds.

Budget for Entire Project: Indicate	planned federal, non-federal, and total funds to b	e expended over the course of the BEAD Program, broken
lown by cost classification. This should	d align with the approved SF-424C (e.g., Column To	otal (Planned) should match column a (Total Cost) on the
sr-4240; if field 17 on the Sr-4240 is 10 classification, put "0" in the correspon	ding field.	ould be 0). If you do not plan to expend funds in a cost
Actuals from Project Inception th	rough End of Current Reporting Period: Indi	cate cumulative actual expenditures i.e., costs that have
peen incurred and recorded as expend	itures, broken down by cost classification. If you h	ave not expended funds in a cost classification, put "0" in
he corresponding field.

If you selected Y (Yes) to the previous question, indicating that you conducted eligible non-deployment activities funded by Initial Proposal Request Funds, please use these fields to highlight accomplishments, favorable developments, and challenges faced during the reporting period for the specified nondeployment activities, in addition to anticipated accomplishments during the next reporting period. Please note that character limits are inclusive of spaces and punctuation throughout.

If you answered Y (Yes) to the previous questions, indicating that you conducted eligible non-deployment activities funded by Initial Proposal Request Funds, please use the Excel-based BEAD Semi-Annual Report Attachment, Non-Deployment Projects Tab on the nondeployment projects implemented by the Eligible Entity funded by the BEAD Program Initial Proposal Funding Request Funds. Please include as an Excel attachment to this BEAD Semi-Annual Performance (Technical) Report to be submitted on the NTIA Grants Portal (NGP).

Please describe significant accomplishments from the Report Start Date (i.e., January 1 or July 1) to the Report End Date (i.e., June 30 or December 31) (3,000 characters or less). Please reference specific nondeployment projects in your response.

* Response

Please describe favorable developments or best practices which enabled meeting time schedules and objectives sooner, or at less cost than anticipated, or produced more or different beneficial results than originally planned. (3,000 characters or less). Please reference specific nondeployment projects in your response.

* Response

Please describe any challenges (i.e., problems, delays, adverse conditions, cost overruns, high unit costs) to achieving activities from the Report Start Date (i.e., January 1 or July 1) to the Report End Date (i.e., June 30 or December 31) (3,000 characters or less). Please reference specific nondeployment projects in your response.

* Response

Please describe significant accomplishments that you plan to complete during the next reporting period (3,000 characters or less). Please reference specific nondeployment projects in your response.
