BIP

BIP Performance (Technical) Report

Please use the following table to provide the total for each question. List the projected total for the number of new position created and or filled this reporting period. Information should be reported cumulatively from award inception through the end of the semi-annual period. Please write "N/A" if your project does not include an indicator.

Workforce Indicator		Total	Narrative (Describe reasons for variances from the baseline plan)
Outcome	Questions		
5a. New positions available and funded through BIP grant	1. Number of new positions created		
	2. Number of new positions filled		

New Position: A position that was created or funded by the BIP grant. A job is considered "filled" if someone has been hired.
