	City, State, Zip Code:	Selawik, AK 99770			
	DUNS/UEI Number:	YG5MLLKCKJL7			
	Period of Performance Start Date (MM/DD/YYYY):	02/01/2022	Period of Performance End Date (MM/DD/YYYY):	02/01/2023	
	Report Period Start Date (MM/DD/YYYY):	02/01/2022	Report Period End Date (MM/DD/YYYY):	02/01/2023	
1	Provide the number of locations or geographic areas at which broadband service was provided using the grant funds. (Please attach associated shapefiles of geographic areas (600 words or less)				
	We provided broadband service to zero (0) locations. To date we have not used grant funds to provide internet access and local wireless service in our geographic location. We have extended the laptops to the villagers and have that in place but need more time to release the internet access and local wireless service portion of the NTIA grant.				
2	Please describe each service provided with grant funds. (600 words or less)				
	NVoS has not provided any service to date using grant funds. We have provided laptops per the NTIA approved grant but have no drawn down the money spent for reimbursement.				
3	If applicable, please list subcontractors and describe how they expended funds. (600 words or less)				
	N/A				
4	Please describe how the recipient and subrecipient (if applicable) expended the funds. (600 words or less)				
	No funds have been expended.				
5	If applicable, please list each subrecipients that received a subgrant through funding. (600 words or less)				
	N/A				
6	Please provide the barriers to broadband use and adoption or broadband infrastructure deployment work that you experienced during the reporting period of this award to date. What steps did you take to address them? (600 words or less)				
	We had several barriers to deployment that we faced during the reporting period. Covid and the lack of man hours played a pivotal part in the slow process we experienced. We also had a series of tragic events in the village that affected our office along with the extreme climate and weather. The steps that we took was to go slowly and rollout the services one at a time to make sure we provided proper support and had the manpower to make it seamless. We have accomplished the laptop computer portion and now focusing on the internet broadband and wireless service portion.				
7	Please describe whether or not your organization connected NOFO purpose areas to broadband adoption and use or broadband infrastructure deployment work. (600 words or less)				
	TBCP Use and Adoption funding requested herein will assist the Native Village of Selawik residents, businesses, and community anchor institutions to receive affordable internet programs, including free or-reduced cost services. This funding will also be used to improve access to, and use of, internet services for residents, businesses, and community anchor institutions in the Village for purposes including, but not limited to, telehealth, remote learning, telework, economic growth, and job creation. Finally, the Use and Adoption grant funding requested as part of this application can be used to provide equipment and devices such as laptops and tablet computers that support connectivity for telehealth, remote education, telework, and other uses.				
8	Please describe your project's achieved accomplishments during this reporting period. (600 words or less)				
	We were able to cover the total number of laptops proposed and approved in our adoption and use grant.
