1	Provide the number of locations or geographic areas at which broadband service was provided using the grant funds. (Please attach associated shapefiles of geographic areas) (600 words or less) No locations and/or geographic areas have been provided broadband services yet.		
2	Please describe each service provided with grant funds. (600 words or less) No service has been provided.		
3	If applicable, please list subcontractors and describe how they expended funds. (600 words or less)		
4	Please describe how the recipient and subrecipient (if applicable) expended the funds. (600 words or less) No funds have been expended.		
5	If applicable, please list each subrecipients that received a subgrant through funding. (600 words or less)		
6	Please provide the barriers to broadband use and adoption or broadband infrastructure deployment work that you experienced during the reporting period of this award to date. What steps did you take to address them? (600 words or less) Due to the Tribe's technological issues with the internet service being down for over a month, change in key personnel, negotiations with a contractor and the long lead time on material for construction we have not been able to implement the grant. We have taken steps and set deadlines to finalize negotiations with a contractor which will allow us to move forward with the preliminary engineering and network design.		
7	Please describe whether or not your organization connected NOFO purpose areas to broadband adoption and use or broadband infrastructure deployment work. (600 words or less) We have not connected NOFO purpose areas as we are trying to finalize contractor negotiations.		
8	Please describe your project's achieved accomplishments during this reporting period. (600 words or less) The Tribe has a new administration, therefore there are new individuals that are working on the Broadband Project. During this reporting period the Tribe has been familiarizing themselves with the grant and negotiating with the contractor.
